

New River Valley MPO

TAC Meeting Agenda

March 16, 2023 – 10:00 AM by Zoom

- I. Call to Order – Erik Olsen
- II. Passenger Rail Station Study update - Colin Burch from the Virginia Passenger Rail Authority will give an update on the Study underway to select a location for the New River Valley station.
- III. 2024-27 TIP Draft – A draft of the 2024-27 TIP has been developed. A recommendation to advertise for comment is needed. (Attached).
- IV. 2023-24 UPWP Draft – A draft of the 2023-24 UPWP has been developed. Two new study projects have been added. One will study possible transit/pedestrian/bicyclist upgrades to Business Route 460 between Industrial Park Drive in Blacksburg and Peppers Ferry Road in Christiansburg. The other will develop a commute cost calculator for the New River Valley. A recommendation to advertise for public comment is needed.
- V. Viscoe Road Study update – The study has started and the study group has met. A public meeting is scheduled for March 22, 2023 and will be held at the Pulaski County Innovation Center in the New River Room from 5:00 to 7:00.
- VI. Valley to Valley Trail update – Michael Gray
- VII. Executive Director’s Report – Dan Brugh
  - A. MPO Census population projections
  - B. Other Items
- VIII. Member Concerns
- IX. Next scheduled meeting April 20, 2023 10:00 am by Zoom
- X. Adjourn – Erik Olsen
